Setting the table

Details – anything special that just comes out during Thanksgiving

People! Make sure to get photos of EVERYONE!
Groups and individuals

Your outfit – so you know what NOT to wear next year!

DURING

The table set with all of the food - before people dig in

A group shot of everyone at the table

All of the individual food dishes – this way you can remember what you made (or bought) from year to year

Everyone's individual plate of food – who's eating what

The Dessert - all spread out on the table as well as individual shots

Eating dessert – pie on face!

AFTER

What food is left?

Turkey coma – who's already passed out on the couch

Kids playing

Games or Activities – what are the kids doing?

Keep the kids busy and have them do a craft project

Visiting relatives, at a restaurant or away? Take location shots inside and out
