

# How To Make Monster Slime

## Ingredients:

- 1 Bottle of glue (4oz or 5oz) clear or white
- ½ cup liquid starch
- ¼ cup water
- Food coloring
- Optional: glitter, googly eyes

## Do This:

- Empty the whole bottle of glue into a bowl
- Pour in the liquid starch
- Put a drop or 2 of food coloring
- Sprinkle glitter
- Mix all together
- Add water and mix again
- Store in a plastic container or bag
